About Company:

IT By Design is a full service IT solutions provider based in Manhattan with offices in New Jersey, a global Network Operations Center, and Data Centers in New York and Arizona. Established in 1998, the ITBD support model has been driven by our customer-centric philosophy and a proactive approach to IT services.

Moving Your Business Forward With Technology

As true consultants, we're about making sure that your technology moves your business forward, rather than holding your potential back. Our Live Help Desk is available 24x7x365, enabling our certified engineers to take care of the health of your network around the clock. From preparation to implementation to post-project support, our team will design solutions specific to your business needs.

Leveraging Your Technology Effectively Is Our Mission

IT By Design's mission is to help you efficiently and effectively manage your technology so that you obtain the greatest ROI of your investment. Whether it's helping with day-to-day IT issues, upgrading to the latest version of Exchange or taking your network into the cloud, we are your trusted resource for ALL things IT.
